## News - in no particular order

The Photo Essay display of The Bayport Aerodrome that Bob Mott put together at Brookwood Hall was a huge success. It was taken down in September and plans are to set it up as a permanent display at the Aerodrome.

John Donacea has sold his Piper Pacer for the second time. Any bets on when he buys it again?

Bill Sendell spent a week in hospital, and another week in rehab, after another fall. He is doing good but a bit unstable on his feet. Not sure how long he will be there, but perhaps you might want to give him a call or drop a card? He's at;

Walter Winicki reports that AACGNY member Bruno Caturani recently passed away.

Both the BAS and the AACGNY will be looking for a new President and Secretary this year. Board positions will also be available. If you are interested please net someone know. If you don't say you don't want to be elected you are fair game. Nominations will be announced in November and elections held in December.

We are soliciting venue ideas for our Christmas Party in December. Last years place has changed ownership and pricing. We are planning on a late afternoon early evening event (4pm -8pm) like last year.

Both the BAS Picnic and the AACGNY Fly-In in August went off beautifully, despite early weather concerns.

We are trying to figure out what to do with the YAK 12 project. It has been worked on sporadically and only by a handful of volunteers, when it is suppose to be a "Club" project. We have estimates of \$5-7,000 to complete it. Should we keep it or sell it to those who are working on it, or put up for bid?

1) We have a Facebook page! <https://www.facebook.com/#!/pages/Antique-Airplane-Club-of-Greater-New-York-AACGNY/129151833777378> Feel free to “like us” and tell your friends and family so that they can “like” us too!

2) The AACGNY has a calendar this year that DOESN'T have naked old men on it! The Plane Janes calendar features 13 beautiful women next to some of our most gorgeous antique airplanes. And, don't forget – the holidays are rapidly approaching! (The promo for the video is here - <http://www.youtube.com/watch?v=IyXcarny4Vc> )

a. You have three ways to get the calendar – you can give Stuart Bain \$19.99 at the next club meeting!

b. You can go online and get it through Lulu - [http://www.lulu.com/product/calendar/plane-janes---the-aacgny-2012-calendar/16182102?productTrackingContext=search\\_results/search\\_shelf/center/1](http://www.lulu.com/product/calendar/plane-janes---the-aacgny-2012-calendar/16182102?productTrackingContext=search_results/search_shelf/center/1) it's \$19.99, but you will pay shipping!

c. You can go through eBay - [http://www.ebay.com/itm/190583420943?ssPageName=STRK:MESELX:IT&\\_trksid=p3984.m1555.l2649](http://www.ebay.com/itm/190583420943?ssPageName=STRK:MESELX:IT&_trksid=p3984.m1555.l2649) The calendar AND DVD of the 2008, 2009, Pilots Without Pants AND the 2011 AACGNY Fly In highlights will be included. Shipping is free!

3) If you want a copy of the DVD alone, it is \$10.00 and available from Stuart Bain.

4) If you are in the Brookhaven Cablevision area, you can watch the 2011 AACGNY Fly In highlight video on channel 20 – the public access channel. It will be on 12:30 pm every Friday! The rest of you can watch it on YouTube - [http://www.youtube.com/watch?v=f8GagY\\_wmfo](http://www.youtube.com/watch?v=f8GagY_wmfo)

We've been working very hard here to make the calendar sales a success! Anything our fellow club members can do to boost calendar sales would be greatly appreciated! I would suggest – if you are on Facebook, “recommend” the AACGNY and Plane Janes pages to your friends who love aviation! Feel free to forward this information to all who you think may be interested! If you have connections to help promote sales, call them up! If we can make 2012's calendar a success, we can look forward to next year's Pilots Without Pants! C'mon now...don't let me down!
